

Editing or cancelling your monthly donation through CanadaHelps is simple. Just follow these steps:

1. Sign into your CanadaHelps Account – www.CanadaHelps.org
2. Once logged into your Donor Account, click “Your Monthly Donations” tab
3. You will see a list of all the monthly donations you have set up with CanadaHelps. To edit or cancel an existing monthly donation, click the “Change” button on the same row as the charity name
4. Once clicked, you will see all the details of that monthly donation. You can change any of the details, including the amount or recurrence date. To cancel your monthly donation, click the button at the bottom right of the page that says “Stop this payment”
